2026 LINE SHEET

EVERY DAY WE SHINE

Babiators makes safe, stylish, durable children's accessories kids love to wear—and adults simply love. Made for parents, by parents, Babiators are the protective, joyful sidekick for carefree, outdoor fun, built to withstand every adventure kids and life throw at them.

Since our founding in 2011, we have worked to protect, inspire, and support families so they can lead healthier, brighter lives. Named one of Forbes' 100 Most Promising Companies, we are proud to be woman- and veteran-owned, with our products stocked in over 4,000 retail locations and 50 countries.

SAFE

Our UV400 lenses offer 100% protection against harmful UVA/UVB rays. Our sunglasses also undergo testing to ensure they're safe for kids.

STYLISH

With gentle materials for all-day comfort and an array of award-winning styles to choose from, Babiators help your child look and feel their best.

DURABLE

With impact- and shatter-resistant lenses and flexible, rubber frames, our sunnies won't break when you bend, twist, or step on them.

GUARANTEED

If your Babiators are lost or broken within one year of purchase, we will send you a FREE replacement (all you have to do is pay shipping).
