Hello,

I am once again very excited to bring you the Cotton Kids Fall/Winter 2021 collection. This year has been one of our most challenging ever, and it's only thanks to the support of our wonderful stores that we were able to persevere and overcome. As if all this trouble with Covid wasn't enough, I had to deal with a major health crisis and surgery late last year, which seriously delayed putting together our fall collection. Despite these setbacks, I was able to get to India this past month and put together what I think is one of our strongest lines yet. As always, all our goods are produced in-house at our family-owned, fair trade factory, allowing us to personally ensure the quality of your goods from the first stitch to the last.

Again, we apologize for the lateness of the line and pray for your understanding and continued support in these trying times. Feel free to reach out to us by phone or email and tell us what you think!

Thank you and best wishes

Minnie Andersen
