Fall - Holiday 2022

Hello and thank you so much for your interest in the Cotton Kids Fall and Holiday 2022 collection! Our line this year boasts some of our most stylish and exciting designs yet. Our exclusive prints were created by a team of international artists and printed with the latest digital technologies, while our hand-cut appliques remain unmatched in beauty and intricacy.

This year, we have new interpretations of old favorites such as our Haunted House Dress, Woodlands Dress, and popular Snowflake Dress alongside totally new designs that continue to push the brand forward. The fresh and fun Crayons Dress is sure to stand out on the first day of school. Our Turkey Applique Dress blends our signature crisp digital prints and detailed embroidery together, and the removable bib makes it perfect for playdates and church even after Thanksgiving. Meanwhile, traditional European folk designs meet exotic Indian threadwork in our remarkable new Danish Christmas Dress.

As always, all our clothes are manufactured in our own family-owned, fair trade factory, so we can personally ensure that they are made with just as much love as they were designed with.

Your comments and suggestions are always welcome!

Thank you and best wishes
